SCHOOL NEWS

TRAFFIC REMINDERS

An ongoing concern is traffic and safety during our morning arrival and in the afternoon during dismissal. When dropping off or picking up your child(ren), please make sure to let them out of the car on the side of street closest to the school. If that is not possible, please make sure they are using the closest crosswalk to get across. As a reminder, making a U-turn on 20th, Wilson, and/or Harris is illegal. Remember that safety is and should always be a priority for everyone. Thank you for your continued assistance in ensuring the safety of all the students at our school!

REMINDERS FOR STUDENTS ON CAMPUS

- Each morning, please refer to the "Checking Your Student Before Leaving Home" document.
- Your child should come to school with 2 clean masks each day.
- We encourage your child to bring their own water bottle as drinking fountains are not available.
- Be sure your child brings their Chromebook (fully charged) and charger.
