MAP Testing

All K-5 students will be taking the winter MAP assessments this month, beginning November 16th.

As a reminder, it is important for your child to complete these assessments without assistance from anyone to ensure their teacher can use the results to help guide what they need to teach your child.

Student Expectations

We understand Distance Learning is not ideal for some students and we cannot wait for the day to welcome your children back on campus when we are able to do so.

In the meantime, it is vital that your child attends all live lessons every day and completes all assigned work. Please do not hesitate to contact your child's teacher with questions.
